Imagination is more important than knowledge.	Happiness is a path, not a destination.	Seven days without laughter makes one weak.
Do something new today.	The heart is wiser than the intellect.	If you continually give, you will continually have.
Act in haste, repent in leisure.	A child is a fire ready to be lit.	Laughter is the shortest distance between two people.
You're never a loser until you quit trying.	He who laughs at himself never runs out of things to laugh at.	The beginning of wisdom is to desire it.
Look for new outlets for your own creative abilities.	No time like the present.	The impossible is often the untried.
The truly generous share, even with the undeserving.	In Scotland, there is no such thing as bad weather, only the wrong clothes.	Real knowledge is to know the extent of one's ignorance.
He who cannot endure the bad will not live to see the good.	An unexpected turn could become a life-long path.	You find beauty in ordinary things; do not lose this ability.
Don't miss the beautiful colours of the rainbow looking for the pot of gold.	All your hopes, dreams and fears are the beginning of the future.	Your joyfulness will prolong your days.
When in doubt, select one of the classics.	Real knowledge is to know the extent of one's ignorance.	The most wasted of all days is one without laughter.
A new project will enliven your conversation.	Nothing last forever - not even your troubles.	Relief will be granted if you request it.
Give yourself permission to celebrate.	Have confidence in your unusual perceptiveness.	It's a grand thing, to be loved! And a grander thing still, to love!
